Dear Sir:

In response to the final Office Action of June 23, 1992, Applicant proposes amending this application as follows for the purpose of placing this application in condition for allowance:

IN THE CLAIMS

Sub. E1 E1

1 (Twice Amended). A cable routing system comprising:

- a plurality of cable pathway-defining elements;
- each one of said plurality terminating at least one attachment end and each of said elements including walls for defining a cable pathway;
- a coupling for joining at least a first one of said attachment ends to at least a second one of said attachment ends, said coupling including wall means for defining a coupling pathway and aligning means for aligning the first and second ones
